

Spoons & Kitchen Percussion Workshop

Wednesday 17th February - 2.30pm

Jo May is an expert percussionist and will be teaching the basics of playing the spoons, introducing some of her other percussion instruments and putting together a '**kitchen jam session**' for everyone to join in with.

This fun and family-friendly workshop is suitable for all ages, young and old, and all you need to join in is a couple of ordinary spoons (or other kitchen items if you like to make a noise!) and enthusiasm.
